**AMENDMENT AND REPLY TO REQUIREMENT FOR RESTRICTION**

Sir:

This Reply is responsive to the Office Action (Requirement for Election) dated January 12, 2009. A petition and fee for a three month extension of time is submitted herewith, thereby extending the period for response to May 12, 2009.

Applicant elects, Group I, corresponding to claims 1-82, 84-99, 102-115, 118-129, 132, 133 and 136-137 without traverse. Additionally, Applicant elects the Modified FSH  $\alpha$ -subunit species of Q13R, E14R, P16R, and Q20R given in group 8. Claims 1-6, 15, 26-28, 40-46, 51-82, 84-93, 95-109, 111-115, 118-123, 125-127, 129, 132-133, and 136-137 encompass the elected species pursuant to this election of species. Lastly, Applicant elects the species of additional modification of FSH of substitution in the  $\beta$ -chain consisting of E4R of SEQ ID NO:2, given in group 1. Claims 1-52, 58, 67-82, 84-95, 97-99, 102-111, 113-115, 118-125, 127, 129, 132-133, 136-137 encompass the elected species pursuant to this election of species.

Taken together, claims 1-6, 11-12, 15, 26-28, 40-46, 52, 58, 67-82, 84-93, 95, 97-99, 102-109, 111, 113-115, 118-123, 125, 127, 129, 132-133 and 136-137 encompass the claims of group I, the species of group 8 (Q13R, E14R, P16R, and Q20R) and the additional species of group 1 (the additional modification of substitution in the  $\beta$ -chain consisting of ER4 of SEQ ID NO:2). Applicants respectfully request that the Examiner also search the other members of each group (1-7 and 9-15 of Modified FSH  $\alpha$ -subunits, and 2-6 of additional modifications), as these additional members will be uncovered by a search for the genus of the elected claims and therefore will not present an additional burden to the Examiner. Applicants understand that, upon the allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which depend from or otherwise require all the limitations of an allowable generic claim as provided by 37 CFR 1.141. (MPEP § 809.02(a)).

Except for issue fees payable under 37 C.F.R. 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. 1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account 50-1283. This paragraph is intended to be a **CONSTRUCTIVE PETITION FOR EXTENSION OF TIME** in accordance with 37 C.F.R. 1.136(a)(3).

Date: May 12, 2009
